

AWESOME AND PRECISE GRAPHIC DESIGNER WANTED

Our Toronto branding and advertising agency is seeking a **Graphic Designer /Production Artist** to join our team, on a contract or freelance basis.

POSITION SUMMARY

You are looking for a place to prove you can excel on a variety of design projects and nail it on straight-ahead production for traditional and digital media. You're also looking for a collaborative place where your creative thinking is encouraged.

RESPONSIBILITIES

- You'll collaborate with the senior creative and account service teams to create, deploy and maintain leading edge, user-friendly, and search engine optimized websites.
- Your responsibilities will include from-the-ground-up design as well as maintaining and upgrading existing art.
- You'll participate in both strategic and creative discussions related to every project in which you are enlisted.

QUALIFICATIONS

- Minimum of 3 years experience in a Design Studio, Digital Ad Agency or similar company with a design portfolio that showcases your awesomeness and precision.
- Must be comfortable using Adobe Creative Cloud on a Mac.
- People skills and independent time management are critical.
- Able to set priorities, problem-solve and think on your feet.
- Attention to detail essential.

Please send your resume, portfolio links and salary or hourly rate expectations.
