

Graphic Designer

Our Toronto branding and advertising agency is seeking a **Graphic Designer/Production Artist** to join our team, on a fulltime, contract or freelance basis.

POSITION SUMMARY

You are looking for a place to excel on a variety of design projects and nail it the production for traditional and digital media. You are also looking for a collaborative place where your creative thinking is encouraged.

RESPONSIBILITIES

- You will collaborate with the senior creative and account service teams to create, deploy and maintain leading edge, user-friendly, and search engine optimized websites
- Your responsibilities will include from-the-ground-up design as well as maintain and upgrading existing art
- You will participate in both strategic and creative discussions related to every project in which you are enlisted

QUALIFICATIONS

- Minimum of 3 years experience in a Design Studio, Digital Ad Agency or similar company with a design portfolio that showcases your awesomeness and precision
- Must be comfortable using Adobe Creative Cloud on a Mac
- People skills and independent time management are critical
- Able to set priorities, problem-solve and think on your feet
- Attention to detail is essential

Please send your resume, portfolio or relevant career highlights, and salary or hourly rate expectations to careers@bladebranding.com
